

UVision, Paris Airshow 2, Draft 1, June 7, 15

## **UVision Appoints Major General (Res.) Yair Naveh the New Chairman of the Board**

**Paris Air Show 2015, Paris, Le Bourget, 15-21/6, Static Area #A8**

**June 16, 2015 - UVision** – a pioneer in the technological development of cost-effective, lethal aerial loitering systems – appoints Major General (Res.) Yair Naveh as the new Chairman of the company's Board of Directors.

According to Yair Dubester, President & CEO, "We are very pleased that M.G. Naveh has joined us. He brings many years of experience and invaluable knowledge in the area of modern warfare, and we have no doubt that he will contribute significantly to the company, both in marketing and in management."

During his service in the Israel Defense Forces, Major General (Res.) Naveh held a number of senior positions, including Commander of the Gaza Division during the Second Intifada, Chief of the Home Front Command, Chief of the Central Area Command, and Deputy Chief of Staff between 2010 and 2013. M.G. (Res.) Naveh retired from the Army in 2014. He holds a Masters degree in Political Science and Middle East Studies, as well as an MBA.

### **About UVision**

UVision designs, develops and manufactures innovative, cost-effective, lethal aerial loitering systems for customers worldwide. With cutting-edge technology and 30 years of extensive field experience by a professional management team culled from leading Israeli defense companies, UVision delivers highly innovative loitering systems based on unique aerodynamic platform configurations. These solutions are tailored for particular flight qualities, advanced airborne guidance and navigation systems, precision attack munitions, and command and control stations fully integrated with communication links. UVision's operations are ISO 9001:2000 certified for Research & Development, Production, UAV Services, Aviation Quality Composite Material Production, and UAV flight services.
